Subject: Folder with comment documents for the Comment Response Summary

I created a folder at H:/Pavillion/Key Stakeholder Comments and have placed the following documents in it:

Encana Mullens report
Encana Sterrett report
Encana Sterrett figures
Wyoming Questions
Clearey memo
BLM Mar 1 2012 comments
Encana Apr 18 letter to docket

I know Greg sent some stuff directly to Rob, but I'd like to get it all in this folder so we all know what documents are the focus and that we know where they are. The ones I don't seem to have are the Kelly report and the Pappadopoulos & Assoc report. Greg, if you have them could you save them to that folder? And Dom, are there other Encana letters besides the one to the docket on Apr 18 that you are including?
